A 501(c)(3) nonprofit charitable organization formed to support Fidalgo Pool and Fitness Center.

Friends of Fidalgo Pool and Fitness Center is a 501(c)(3) nonprofit charitable organization registered with the Internal Revenue Service and formed to support Fidalgo Pool and Fitness Center District, a municipal corporation and special purpose district in Washington state.

We raise funds, offer expertise, collect donations, and provide volunteer support to help:

- Pay for the center's maintenance and operation expenses - thereby minimizing the amount of levied property taxes needed for its upkeep;
- Build new facilities and bring our aging center in compliance with Americans with Disabilities Act (ADA) code, making it more user friendly for senior citizens, people recovering from injuries, and young children;
- Encourage use of the center by other organizations that engage children and teens in healthy recreation, socialization, and fitness activities;
- Obtain special equipment for aquatic and fitness programs, especially items useful to new swimmers and individuals who have health issues;

- Assist in the development of new wellness, health promotion, and water safety programs;
- Provide advocacy and education to the community about the benefits of having the center to promote healthy lifestyles.

Have fun with us while supporting our community's health and wellness!

We are qualified to receive cash donations, non-cash gifts, and bequests. Assets such as stocks, bonds, mutual funds, real estate, and fine arts are also allowable.
